### Charities of the year 2010

We have taken the unusual step for 2010 to support two charities reaching far and wide and asking our clients to reach far into their pockets and hearts! We understand that since the worldwide economic meltdown; many charities have suffered and need extra support and funding.

Our two chosen charities are:

The Diamond Appeal

Sue Ryder Care.

The Diamond Appeal is into its final stages and therefore our belief is to give this wonderful selfless charity one last push in 2010 before the charity distinguishes, although the embers will forever burn on.

Sue Ryder Care is a growing charity and needs prolonged support. Sue Ryder Care is a leading third sector provider of end of life and long term-neurological care in the UK. Founded in 1953 by Lady Ryder, the charity has a long and distinguished history of delivering care – and today operates hospices, neurological care centres, homecare and community based care services nationwide.

During 2010 we will be organising events to raise money and awareness for both charities.

### Exhibition & Auction 2010

We are hosting the biggest exhibition and auction on Sunday, January 24 from 10:30am till 5:30pm.

At 2pm, take a seat with your registered Lot Number; listen as your compare and auctioneer Darren Daley entices you into bidding for some fabulous items, Bridal Gowns, including some fabulous designer named brands; Bridesmaid dresses, Accessories and much, much more.

This is going to be the "sale" of the century" - when the hammer goes down; the Lots could be YOURS!

Our Auction will be in aid of: "Sue Ryder Care" & "The Diamond Appeal" funds raised during the day and certain Lots during the Auction will be presented equally to both of our chosen charities for 2010.

You will be given your own personal Lot Number, which must be shown to our Auctioneer when bidding on a Lot.

Good luck to all you bidders and well done to all you successful bidders!

### Charity Halloween Ball 2010

In aid of Sue Ryder Care and The Diamond Appeal, we are looking to host a ball at the end of October 2010; themed halloween ball - aiming to create a spooky theme! All in costume instead of flowers you may find candlelit pumpkins on the tables.

October is a poignant date for the Diamond Appeal, as it sees such a worthy charity come to a close; therefore our ball will truly be a wonderful send-off and a way to tip their financial balance.

We are going to confirm dates and ticket prices early 2010.
